

A New Zealand Rep in the Club after a gap of 25 years!

A big congratulations to Bryce Redman who is one of four boys who have been selected to represent New Zealand at the World Championships in Quito, Ecuador between 26th July and 7th August this year.

Promising squash player Bryce Redman has delivered for Hawke's Bay and it's almost time for the Bay to deliver for him.

Redman became the first Hawke's Bay Squash Club member to be selected for a New Zealand senior or junior team in 25 years at the weekend when named in the Kiwi team for the world junior champs which begin in Ecuador next month.

"All the hard work and sacrifices have paid off ... it was an unbelievable feeling when I heard my name," Redman, 18, told Sport Today minutes after the team was announced on Sunday night. "I've got a lot to thank Dad for ... he's been my coach from day one and has been there the whole time," said Redman referring to his father and club mate Keith Redman.

An architecture student at Auckland University, Redman, is one of four players named in the New Zealand team. Three of the four will play in each tie of the team's event at the champs which will be staged after the week-long individual section which starts on July 26.

New Zealand's playing order will be finalised after the North Island junior champs which will be played at Redman's Hawke's Bay club from July 8-11.

"Hopefully the home crowd will get behind me and help me do well," said Redman who will be the third seed in the under-19 boys section of the event.

The Kiwi team was announced after the weekend's North Island senior champs in Auckland where the 12th seeded Redman finished ninth. The best finish by a member of the team was fifth.

"It's been an awesome week. I passed my end-of-term exams at uni and then got selected for New Zealand ... Dad has been a big help in my architecture too," said Redman referring to the fact his father is an architect with RFR Building and Project Management Ltd.

He knows he will get behind with his studies during the 20 days he is in Ecuador but isn't too concerned. "This is a once in a lifetime opportunity ... I'll stress out about the studies when I get home," said Redman. With three of the four Kiwis based in Auckland Redman said they will train every day before coming to the Bay. There will be a big emphasis on fitness because of the Ecuador venue being at high altitude.

Up & Coming Tournaments

The two biggies are looming ever closer on the horizon:

Thursday 8th – Sunday 11th July – North Island Age Group Championships

This tournament attracts the country's top juniors who play in their own age groups regardless of their grades. This, therefore, gives a J grade the opportunity of playing an A grade something that rarely is possible and means that the ultimate winner is the champion of their age groups for the North Island in 2010. Ages are divided for both boys and girls into:

Under 19
Under 17
Under 15
Under 13
Under 11

Play begins at 12pm on Thursday 8th and depending on entries the last match may go on court at 4pm on Sunday. Such is the status of this event for the juniors we must accept all entries which could mean a draw of around 300. To help us get through all the matches, Hawke's Bay Lawn Tennis have kindly allowed us to use their courts for the weekend.

We have been lucky enough to have secured a lucrative sponsorship deal from Prince and Tecnifibre for this event who are donating product for prizes and John & Linda Hogan of Action Bins are presenting a trophy.

23rd – 25th July – Cousins Shield & Mitchell Cup

These competitions are the country's most prestigious Club team events for men and women respectively and, as such, it attracts the country's top players. We could expect up to 18 men's teams and 8 ladies' teams so another action-packed weekend.

HBSRC will be entering a men's team into the Cousins Shield consisting headed up by Todd Redman and ably supported by Liam and Simon O'Shaughnessy, Greg Nicol and 3 from Kevin Corkery, Grant Katterns, Ben Young and Brady Smale. Good luck to them! The last time HBSRC held with trophy were the ladies of 1975 who came away with the Mitchell Cup. Something to emulate boys!

As ever, we need your help to make these events tick over without a hitch:
Bar duty, tournament control and liaison officers for the teams event.
Contact Jacquie if you're able and willing!

Also a must for your diaries: there will be a buffet dinner followed by music from Jason & Ursula of ½ Naked on the Saturday night (24th July). This is at the very reasonable price of \$30 per head so book early to avoid disappointment. Just send Jacquie an email to reserve your spot, but payment will need to be made by Monday 19th July to confirm your reservations.

Funding & Sponsorship

Welcome to our new sponsors, Cape Physio. They will be at the club for 2-3 hours during both of our two prestigious events in July to offer physiotherapy to all participants.

They have also offered all our members, their first consultation for injury free – that is, the usual \$10 fee you would have to pay on top of the ACC payment would be waived for your first appointment. All

you need to do is present your membership (booking card) when you turn up for your consultation.

Welcome back to Steve Ramsay Bricklayers. Steve has agreed to a contra sponsor in return for repairing and maintaining our courts. You will have noticed that Court 4 has been out of action and he will be tending to each court in turn with Court 5 having a major overhaul during the summer. Nathan Ramsay will be taking up his sponsor's membership, so another Men's C grader to push the rest of you!!

New Members

Cody Phillips, Beau O'Brien, John Allen and our new corporate member, Telfer Young.

Also, it's really encouraging to see so many new juniors joining

Aiden Ivares, Rhomi Simpson (Jason & Nikki Pratt's boys), Portia McQueen and Tia McQueen, Tiana Winiata and Alyssa Martin who have decided it's time to join her brother, Ethan and sister, Selena, at the club.

The Last word....

Last but not least, not to be outdone by his elder brother, Todd Redman won his first Open Tournament in Taupo on Sunday 20th June. In typical Todd fashion, he thanked Bryce for moving to Auckland so giving him a chance to win the money.

Congratulations, also to Debbie Roberts for winning the F Grade and to the fantastic achievement by Mark Corkery. In a draw ranging from F Grade up to D2, Mark proved that he is on the up, playing above his F Grade status to beat a D2 from Masterton.

There were also 3rd place spots for Carole Allan, Alan Little and Nikki Fox.

Taryn Cadigan and Jess Ennor also came home with prizes.

A good weekend enjoyed by all!
